

Below is a **realistic `college.pdf` dataset** for **[International School of Technology and Sciences for Women (ISTS)](https://ists.ac.in/?utm_source=chatgpt.com)**. It is based on publicly available information from the college website. Some operational details (such as library timings, canteen menu, etc.) are written as general sample content for chatbot demonstration purposes. Public facts such as accreditation, programs, and contact details are based on the official website. ([ISTS][1])

INTERNATIONAL SCHOOL OF TECHNOLOGY AND SCIENCES FOR WOMEN (ISTS)

College Information Brochure

About ISTS

International School of Technology and Sciences for Women (ISTS) is a premier women's engineering institution located in Rajanagaram, Rajahmundry, Andhra Pradesh. Established in 2010, the institution is approved by AICTE, has permanent affiliation with JNTUK, Kakinada, has been granted Autonomous status by UGC, and is accredited by NAAC with an A+ Grade. Several undergraduate programs are also accredited by NBA. The college focuses on providing quality technical education, innovation, research, leadership development, and industry-oriented training for women engineers. ([ISTS][1])

Vision

To become a center of excellence in technical education by empowering women through quality education, research, innovation, and ethical values.

Mission

- * Deliver quality engineering education.
- * Encourage innovation and entrepreneurship.
- * Develop leadership and communication skills.
- * Promote research and lifelong learning.
- * Produce socially responsible women engineers.

Approvals and Accreditations

- * Approved by AICTE, New Delhi
- * Autonomous Institution
- * Permanent Affiliation to JNTUK, Kakinada
- * NAAC Accredited with A+ Grade
- * NBA Accredited Programs
- * Institution's Innovation Council (IIC)

([ISTS][1])

B.Tech Programs

The college offers the following undergraduate programs:

- * Computer Science and Engineering (CSE)
- * Computer Science and Engineering (Artificial Intelligence)
- * Artificial Intelligence and Machine Learning (AI & ML)
- * Data Science (DS)
- * Electronics and Communication Engineering (ECE)
- * Electronics Engineering (VLSI Design and Technology)

- * Electronics and Communication (Advanced Communication Technology)

- * Agricultural Engineering

([ISTS][2])

Postgraduate Programs

M.Tech

- * Computer Science and Engineering

- * Software Engineering

- * Artificial Intelligence

- * Embedded Systems

- * VLSI

- * Advanced Communication Technology

MBA

Master of Business Administration

MCA

Master of Computer Applications

([ISTS][3])

Admission Procedure

Admissions are available through:

- * AP EAPCET
- * Management Quota
- * ECET (Lateral Entry)

Required Documents:

- * SSC Marks Memo
- * Intermediate Marks Memo
- * EAPCET Rank Card
- * Transfer Certificate
- * Study Certificates
- * Aadhaar Card
- * Passport Size Photos

([ISTS][2])

Eligibility

For B.Tech

- * Intermediate (MPC)
- * Qualified in AP EAPCET

For M.Tech

- * B.Tech Degree

- * Valid PGECET/GATE qualification (as applicable)

For MBA

- * Bachelor's Degree

- * AP ICET qualification

For MCA

- * Bachelor's Degree with Mathematics

- * AP ICET qualification

([ISTS][2])

Infrastructure

The campus provides:

- * Smart Classrooms

- * Modern Computer Labs

- * AI & ML Laboratory

- * Data Science Laboratory

- * Electronics Laboratories

- * Agricultural Engineering Laboratories

- * Central Library

- * Seminar Halls

- * Auditorium

- * Wi-Fi Campus

- * Innovation Center

* Digital Learning Facilities

Library

The Central Library provides:

- * Engineering textbooks
- * Reference books
- * National Journals
- * International Journals
- * Digital Library
- * IEEE Resources
- * NPTEL Learning Resources

Hostel Facilities

Separate hostel facilities are available for women students.

Facilities include:

- * Wi-Fi
- * Reading Hall
- * RO Drinking Water
- * 24×7 Security
- * CCTV Surveillance
- * Medical Assistance
- * Hygienic Dining Hall

Transportation

College buses operate from Rajahmundry and surrounding towns.

Transportation facilities are available for students and staff.

([ISTS][1])

Training and Placement Cell

The Training and Placement Cell provides:

- * Campus Recruitment
- * Mock Interviews
- * Resume Building
- * Aptitude Training
- * Soft Skills
- * Coding Practice
- * Technical Interview Preparation
- * Internship Support
- * Industry Workshops

Top Recruiters

Students have been recruited by companies such as:

- * Infosys
- * IBM
- * TCS
- * PEGA
- * Tech Mahindra
- * Cognizant
- * Wipro
- * Accenture

([ISTS][1])

Innovation Activities

ISTS promotes innovation through:

- * Institution's Innovation Council (IIC)
- * Startup Activities
- * Hackathons
- * Research Projects
- * Technical Workshops
- * Industrial Visits
- * Coding Competitions

([ISTS][1])

Student Clubs

- * Coding Club
- * AI Club
- * Robotics Club
- * NSS
- * Cultural Club
- * Sports Club
- * Literary Club
- * Entrepreneurship Cell

Campus Facilities

- * Wi-Fi Campus
- * Digital Library
- * Smart Classrooms
- * Seminar Halls
- * Auditorium
- * Sports Facilities
- * Cafeteria
- * Medical Facility
- * Transportation
- * Green Campus

Working Hours

College Working Days:

Monday to Saturday

College Timings:

9:00 AM – 4:30 PM

Office Timings:

9:00 AM – 5:00 PM

Frequently Asked Questions

****Q:**** Is ISTS an autonomous institution?

****A:**** Yes. ISTS has autonomous status and permanent affiliation to JNTUK. ([ISTS][1])

****Q:**** Is ISTS NAAC accredited?

****A:**** Yes. ISTS is accredited with an A+ Grade by NAAC. ([ISTS][1])

****Q:**** What engineering branches are offered?

****A:**** CSE, CSE (AI), AI & ML, Data Science, ECE, VLSI, Advanced Communication Technology, and Agricultural Engineering. ([ISTS][2])

****Q:**** Does ISTS provide hostel facilities?

****A:**** Yes. Hostel facilities are available for women students.

****Q:**** Does the college provide placements?

****A:**** Yes. The Training and Placement Cell conducts campus recruitment, internships, aptitude training, and interview preparation, and students have been placed in companies such as Infosys, IBM, TCS, PEGA, and others. ([ISTS][1])
